### **Chun Wo Environmental Engineering received recognition for Building Hong Kong a Greener City**

(Hong Kong, 9 June 2009) –a subsidiary of Chun Wo Development Holdings Limited (stock code: 711), **Chun Wo Environmental Engineering (Hong Kong) Ltd.** (CWEE), was awarded the “Prime Awards for Eco-Business 2009” in recognition of its efforts in promoting environmental engineering in Hong Kong.

Establish in 2002, CWEE has been playing an active role in promoting environmental business and energy saving solutions by introducing the best-in-class environmental technologies to Hong Kong, as well as providing wide ranges of environmental products and one-stop consulting services to different sectors. We contribute ourselves to the green business to demonstrate our commitment in corporate social responsibility.

CWEE has been a partner with the Architectural Service Department since 2004, by installing the Bio-Toilet in remote areas. With the use of bio-technology, Bio-toilet can filter, clean and recycle the waste water to be used as flushing water. The system can be installed in places without a proper sewage system. Another environmental friendly product - “Biogit” distributed by CWEE also gains reputation among industry. This waste treatment nutrient successfully solved the problem of bad smell at washroom facilities in the Golden Shopping Arcade in Sham Shui Po.

With profound experience and knowledge in building construction and building services, CWEE is able to identify the needs of customers and deliver tailor-made and cost-effective environmental solutions. To reinforce the clients’ confidence of our products, we also conduct on-site testing and product demonstrations.

Managing Director of CWEE, Mr. Jonathan Wong said, “The ‘Prime Awards for Eco-Business 2009’ is an important recognition from the environmental industry to our efforts in promoting environmental engineering in Hong Kong. I hope that the government and different business sectors will infuse more resources in environmental protection, and work together to build a greener city.”

“The Third Prime Awards for Eco-Business 2009” is an annual event co-organized by the Prime Magazine and Business Environmental Council. This year, with the theme of “The Earth Needs You”, the award aims at identifying the outstanding enterprises in environmental protection. Representatives from environmental-friendly organizations, academics and business association were included in the judging panel.
